

Supporting the hospice is a piece of cake

All the INGREDIENTS

you will need for a successful event

Some top tips to help you make a tea-riffic success of your Home for Tea event

Planning and promotion

Set your date, place and time

- Invite your friends - use the downloadable invitations to print out and hand to your friends and family
- Share the invite to friends via email or social media
- Call them up and invite them personally, they can't refuse you!

Have your cake and eat it!

Get baking your cookies, cupcakes and cakes or why not ask everyone to bring a cake along and do your own mini bake off? You can then sell slices of the cake or raffle them off.

Why not try the recipe for the St Elizabeth Hospice cake? And run a silent auction for someone to take this home.

If you're not a baker, then don't despair - take a trip to your local supermarket or bakers to buy your cakes and you will have a mouthwatering array of cakes in no time!

Just remember to use the cake labels to let people know if they contain nuts or any other allergens.

Fun-tea time

Why not add some extra fun into the mix with your event by:

- Holding a tea competition to guess the tea
- Guess how many tea bags / coffee beans are in the jar
- Cake raffle or guess the weight of the cake competition
- Organise a vintage tea or a tea dance

Good luck! And don't forget to send us your photos.
