Professional Demonstrations

What's on?

11.00am >>> 11.45am	The logo for Paws Of Parham, featuring a paw print made of colorful puzzle pieces with the text "PAWS OF PARHAM" above it.	Paws Of Parham Paws of Parham present a fun class teaching your dogs tricks and dance moves – what could you learn from this demonstration?
12 noon >>> 12.45pm	The logo for Trailing Tails, featuring the text "Trailing Tails" in a green script font, with "MANTRAILING FOR DOGS" in a smaller, sans-serif font below it.	Training Tails Mantrailing is like no other activity that you can take part in with your dog. It is completely unique dog training in many ways but quite interestingly, it can help solve a number of unwanted behavioural problems that may challenge your everyday life with your dog such as fear, hyperactivity, phobias, stress, anxiety, reactivity and aggression.
1.00pm >>> 1.45pm	The logo for The Lowestoft Dog Agility Display Team, featuring the text "The Lowestoft Dog Agility Display Team" in yellow and white on a blue background, with the website "www.lowestoftdogteam.co.uk" below it.	Lowestoft Dog Agility Team Displaying at public events for nearly 60 years, Lowestoft Dog Agility Team are Britain's oldest established dog display team.
2.00pm >>> 2.45pm	The logo for Border Force, featuring the Royal Coat of Arms and the text "Border Force".	Border Force Border Force will be showing us how their highly trained detector dogs use their sense of smell to detect prohibited imports in this drug scenting and searching demonstration. Subject to operational needs to the service.
3.00pm >>> 3.45pm	The logo for Nightingale Vets, featuring a green heart shape above the text "nightingale vets" in a blue and green sans-serif font.	Nightingale Vets The Pet Effect is a phenomenon for which we are gaining ever increasing amounts of evidence. Join Dr Emily Nightingale and learn more about this research and how pets help us.
4.00pm >>> 4.45pm	The logo for the RSPCA, featuring the text "RSPCA" in white on a blue background, with a white silhouette of a dog's head to the right.	RSPCA Find out more about your local Suffolk branch of the RSPCA. Hear from Lucy Webb, an animal behaviourist working with the RSPCA Martlesham Animal Centre, on how the team evaluate, train and rehabilitate rescue dogs in their care to help prepare them for life in their new homes.
